

# WELCOME ABOARD SYNERGY

## LUGGAGE

Please try to travel with soft duffel bags as they are easy to store in your cabins.

Pack light! Swimwear and casual clothes are your best options, plus a couple of outfits you may want to wear for dinner ashore.

Flip flops and running shoes should be all you need for when you are on land, no shoes to be worn on board please.

## TOILETRIES

For your convenience we provide eco-friendly shampoo, conditioner and body soap on board for each cabin.

We have reef safe sunscreen and insect repellent for your use, if you do bring your own please ensure it is reef safe as many sunscreens contain chemicals that damage our coral reefs.

## SUN PROTECTION

It will be mostly sunny for your vacation so don't forget a couple of pairs of sunglasses, a hat that won't blow away and UV shirts for swimming and snorkeling

A light jacket or sweater is a good idea for the evenings, just in case.

## SEASICKNESS

We recommend everyone brings along sea sickness medication, at least for the first few days.

You are able to get none drowsy tablets, patches or herbal ginger tablets in your local pharmacy.

We have lots of tips and tricks to keep you feeling great.

## HAIR DRYERS

We all know beach waves are best when you are on a yacht but just in case we have hair dryers for your use.

Please ask before using any hot hair tools as we will need to run the generator.

## LOCAL CURRENCY & CREDIT CARDS

In the Caribbean the currency is USD. Credit cards are accepted but not always. We recommend bringing cash with you.

## POWER

Our boat uses 110V power system, with American three-prong outlets and USB outlets for small electronics in each cabin.

## COMMUNICATION

Synergy offers wifi on board, although speed can sometimes vary in the Caribbean. Cell phone reception strength will vary throughout the islands.

## LINEN

Throughout your stay you will have Egyptian cotton bed sheets, fluffy bath towels sets for shower use, and Turkish towels for ocean and beach use

## SAND

White sand beaches are lovely, but please leave the sand there. Kindly rinse your feet thoroughly before stepping back on board.

We ask that you do not bring shells, rocks, coral on board from the beach as these items will bring sand into your cabins.

## SNORKELING

We have sets of snorkeling gear onboard ready for your use. We sanitize all equipment between charters.

## TOYS

Synergy is kitted out for fun, we have a range of water toys for endless enjoyment.

You can connect to the stereo system though bluetooth, ensure you download your playlists advance to avoid streaming music.

We have multiple board and beach games on board, please feel free to bring your favourite along with you as well!

## CREW GRATUITY

It is customary in this industry to tip the crew, the amount you leave is totally at your discretion and should be based on the level of service provided. The suggested gratuity is 20% of your charter.
